

10th MEET THE PROFESSOR

Advanced International Breast Cancer Course

PADUA, NOVEMBER 6th-7th-8th, 2014

Directors

Pier Franco Conte, Gabriel N. Hortobagyi

Presentation

Breast cancer mortality is declining in most countries; a detailed knowledge of the mechanisms of cancer progression, phenotypic and genotypic characterization of the disease, screening programs, advanced imaging, local therapies and molecularly targeted drugs have all been fundamental to achieve this success. Nowadays, breast cancer represents the front runner in the path to comparative effectiveness, where new therapeutic interventions are implemented on the basis of “average” benefit, to personalized cancer medicine, where the right treatment is provided to the right patient at the right moment. An updated, multifaceted approach to our patients is now becoming more and more demanding and with these goals in mind, the Programme of this international Conference includes lectures on molecular characterization, updated management of early and advanced disease, strategies to overcome resistance to available therapies, innovative therapies, and multimodal treatments for advanced disease.

Clinical case discussions and debates are planned to allow a continuous and fruitful exchange of experiences and opinions between speakers and participants. This 10th Breast Cancer Conference includes a highly qualified international faculty, but will maintain its characteristics of a friendly forum where international opinion leaders and attendees will exchange experiences and share the most exiting advances.

In order to reward scientific excellence and to foster international cooperation, the International Scientific Committee of the 10th AIBCC will award the 4th International Prize for Breast Cancer Research to a scientist who has published a breakthrough paper in the previous year and the Monica Boscolo Research Grant to an Italian scientist for a research project to be conducted in cooperation with a foreign institution.

We welcome medical oncologists, pathologists, breast surgeons, radiation oncologists and basic scientists to listen to breast cancer leaders and to exchange experiences in a friendly atmosphere.

Addressed to

The Meeting is addressed to physicians specialized in: oncology, radiodiagnostics, radiotherapy, clinical pathology, general surgery, gynaecology and obstetrics, biologists and nurses.

Programme

Thursday, November 6th

8.00 Registration

8.45 **Introduction to the Conference**

Pier Franco Conte, Gabriel N. Hortobagyi

SESSION I - PATHOLOGY

Chairmen: Alberto Amadori, Massimo Rugge

9.00 **Standardization of breast cancer diagnosis: pathology**

Anna Sapino

9.30 **Standardization of breast cancer diagnosis: genomics**

Giampaolo Bianchini

SESSION II - LOCOREGIONAL THERAPIES

Chairmen: Nicola Balestrieri, Graziano Meneghini

10.00 **Evolving loco-regional management**

- Post-mastectomy radiotherapy: a new standard? – Philip Poortmans
- Management of the axilla: an update after recent trials
Carlos A. Garcia-Etienne
- Hypofractionated breast irradiation – Philip Poortmans

11.00 Discussion

11.20 *Coffee break*

SESSION III - IMAGING

Chairmen: Gabriel N. Hortobagyi, Luigi Pescarini

11.40 **Role of MRI in breast cancer diagnosis**

Clinical cases will be presented to discuss the following items:

- Is MRI the standard screening procedure in young women? – Enrica Baldan
- Is MRI the gold standard to assess the response to neoadjuvant therapy? – Ilaria Polico
- Is MRI appropriate to plan the type of surgery? – Alessandro Coran

The audience will be asked to vote. After the vote, two senior speakers will debate items in favor or contra. The audience will be asked to vote again after the debate.

Pro: Pietro Panizza

Contra: Petra Steyerova

Conclusive remarks of the Chairmen

13.15 *Lunch*

SESSION IV - STAGING AND ADJUVANT

Chairman: Philip Poortmans

14.15 **Appropriate staging work-up in early breast cancer**

Jassem Jacek

14.45 **Is there a role for adjuvant bisphosphonates?**

Robert Coleman

15.15 Discussion

SESSION V - GUIDELINES

Chairman: Philip Poortmans

15.30 **Role of guidelines in the era of personalized cancer medicine**

- Do guidelines impact on patients outcome? – Petra Boelens
- Genomics platforms as decision making tools – Miguel Martin

16.30 Adjourn

17.30 **Ceremony for the presentation of the University of Padua Award for Advances Breast Cancer 2014 and the Monica Boscolo Research Grant**

18.00 Lecture of the Awardee

18.30 *Cocktail*

The Ceremony and the cocktail will take place in Palazzo Bo, Via VIII Febbraio 2, Padua.

Friday, November 7th

SESSION VI - EARLY BREAST CANCER

9.00 **Adjuvant – Clinical Case Discussion I**

Chairmen: Pier Franco Conte, Miguel Martin

Presenters of the cases: Zora Baretta, Cristina Falci

The presenter will introduce a clinical case and will ask questions to the audience. The discussants will comment the vote and will review the state of art

Discussants:

- Fertility preservation – Lucia Del Mastro
- Adjuvant therapy for low risk HER2+ patients – Valentina Guarneri

- Endocrine adjuvant therapy in premenopause – Stephen Johnston
- Extended adjuvant endocrine therapy – Jonas Bergh

10.45 Discussion

11.00 *Coffee break*

11.30 **Neoadjuvant – Clinical Case Discussion II**

Chairmen: Fernando Bozza, Pier Franco Conte

Presenters of the cases: Silvia Michieletto, Tania Saibene

The presenter will introduce a clinical case and will ask questions to the audience. The discussants will comment the vote and will review the state of art.

Discussants:

- Locoregional management – Philip Poortmans
- HR+/HER2 negative – Stephen Johnston
- Triple negative breast cancer – Maria Vittoria Dieci
- Adjuvant therapy in suboptimal responders after neoadjuvant therapy
Pier Franco Conte

13.15 Discussion

13.30 *Lunch*

SESSION VII - ADVANCED BREAST CANCER

Chairmen: Valentina Guarneri, Sibylle Loibl

14.30 **Clinical case discussion III**

The presenter will introduce a clinical case and will ask questions to the audience. The discussants will comment the vote and will review the state of art.

Sequence and duration of anti-HER2 therapy

Presenter: Cristina Falci *Discussant:* Pier Franco Conte

Therapeutic options for HR+ disease

Presenter: Carlo Alberto Giorgi *Discussant:* Gabriel N. Hortobagyi

Triple negative advanced breast cancer

Presenter: Giovanni Faggioni *Discussant:* Sabine Charlotte Linn

16.15 Discussion

16.30 *Coffee break*

Chairmen: Gabriel N. Hortobagyi, Donato Nitti

16.45 **Clinical case discussion IV**

The presenter will introduce a clinical case and will ask questions to the audience. The discussants will comment the vote and will review the state of art.

BRCA test as tool for therapy selection

Presenter: Zora Baretta *Discussant:* Miguel Martin

Surgery of the primary in de novo stage IV disease

Presenter: Antonella Brunello *Discussant:* Miranda Ernst

18.00 Discussion

18.10 Adjourn

Saturday, November 8th

SESSION VIII - HIGHLIGHTS OF THE YEAR

Chairmen: Jonas Bergh, Stefania Gori

9.00 **Advances in biology**

Aleix Prat

9.30 **HR+/HER2- disease**

Stephen Johnston

10.00 **HER2+ disease**

Fabio Puglisi

10.30 **Triple negative disease**

Cornelia Liedtke

11.00 *Coffee break*

SESSION IX - COMING SOON

Chairman: Gabriel N. Hortobagyi

11.30 **New promising drugs**

Jonas Bergh

12.00 **Trials likely to impact on clinical practice in the near future: EBC**

Sibylle Loibl

12.30 **Trials likely to impact on clinical practice in the near future: ABC**

Paolo Pronzato

13.00 Adjourn and final evaluation questionnaire

Awards

MONICA BOSCOLO RESEARCH GRANT

The Scientific Committee will select the winner of the Monica Boscolo Research Grant. This Research Award is restricted to young Italian researchers (< 40 years) who will carry out a research project at a foreign institution.

UNIVERSITY OF PADUA AWARD FOR ADVANCES IN BREAST CANCER 2014

The Scientific Committee will select young researchers (< 40 years from any country) who have published in an international peer-reviewed journal, as the principal author, a manuscript reporting important clinical or biological advances in breast cancer. Prof. Conte and Prof. Hortobagyi will select the final winner which will be invited to present his/her study during the annual Conference

Under 35

Free admission is available for 5 persons "Under 35". Registration forms will be accepted on a first-come, first-served basis until spaces are filled. The Organization Secretariat will confirm the registration by email.

Un'azione sostenibile a favore della formazione

Iscrizione gratuita per i medici **UNDER 35** fino a esaurimento posti

CME

Based on the in force Italian regulations, Accademia Nazionale di Medicina (provider n. 31) will assign to the activity CME (31-99451): **8 CME points**.

The Meeting is addressed to physicians specialized in: oncology, radiodiagnostics, radiotherapy, clinical pathology, general surgery, gynaecology and obstetrics, biologists and nurses.

It will not be possible to give credits to physicians specialized in different fields.

The credit certification is subject to:

- attendance at the entire Meeting
- the completion of the meeting evaluation form
- the completion of the final questionnaire (at least 75% of correct answers)

We would like to remind to participants that only 1/3 of CME credits acquired during the years 2014/2016 can come from a sponsorship.

Official Language

The official language of the Meeting is English. No simultaneous translation will be provided.

Registration

The registration fee is € 250,00 tax free.

It includes the conference bag, the conference book and all coffee breaks and lunches. It does not include Hotel accomodation, dinners and travel expenses.

Under the article 54 T.U.I.R and within the limits set out therein, the costs of participation in this activity are deductible in determining self-employment income.

To register, please send:

- registration form duly filled out (*even when sponsored by a Pharmaceutical Company*)
- privacy statement and consent to the use of personal data (*as in the back of the form*)
- payment

to Accademia Nazionale di Medicina – Palazzina CUP II Piano, Via Massarenti 9, 40138 Bologna (fax 0039 051 6364605 – e.mail: info.bologna@accmed.org, **within october 27th, 2014.**

Registration quote can be paid by: non-transferable cheque addressed to Accademia Nazionale di Medicina; bank transfer addressed to: ACCADEMIA NAZIONALE DI MEDICINA, Banca Intesa Spa - Filiale 2475 –Ge-Marose - IBAN code: IT 27 J 03069 01460 615257596948 - SWIFT code: BCITITMM (indicate: "Registration of Dr. ... at Course 14_RE_1064 "); Credit Card Details Mastercard. Visa, Eurocard (NO AMEX).

Online registration is possible on the website <http://meettheprofessor.accmed.org>

By submitting the form and the payment, your registration is completed with the exception of specific decisions of the Meeting Secretariat.

Incomplete registration will NOT be admitted.

The registration will be confirmed by e-mail, please put your e-mail address on the registration form.

CANCELLATION

- if the participants minimum number is not reached, Accademia Nazionale di Medicina will advise by a written communication and proceed with the total refund of the fee.
- In order to cancel please give advise with a written communication to Accademia Nazionale di Medicina within 10 days from the beginning. A 70% of the registration fee will be returned. Any cancellation after that deadline will not be reimbursed.

Meeting Venue

Centro Congressi Padova A. Luciani
Via Forcellini 170/A
Padova
Tel. +39 049/8033711

How to reach the meeting venue:

By Car:

The Highway exits are

Padova Est, 5 Km from the Meeting Venue

Padova Zona Industriale, 6 Km from the Meeting Venue

By Train:

Padova is in the Center of Veneto, it is easy to reach with the trains Milano-Venezia and Bologna-Venezia. The Meeting Venue is 4 Km from the train station

By Plane

Venezia Airport - Marco-Polo: 43 km (about 40 minutes by car)

Treviso Airport- Canova: 63 km (about 50 minutes by car)
